PRODUCT DATA SHEET Sarnadisc T

METAL WASHER FOR FIXING OF THERMAL INSULATION TO ROOF STRUCTURES

DESCRIPTION

Square, zinc plated steel washer with rounded edges for fixing thermal insulation to roof structures. Fastened with one fastener per washer. The flat surface makes it ideal for fastening thermal insulation beneath roof waterproofing membranes.

USES

Sarnadisc[®] T washer is used for mechanical fastening of thermal insulation in combination with appropriate Sarnafast [®] Fastener. Only for fastening thermal insulation underneath roof waterproofing membranes. Sarnadisc[®] T washer shall not be used for the mechanical fastening of roof waterproofing membranes. Suitable roofing system under 70% R.H. environment without chemical condition.

CHARACTERISTICS / ADVANTAGES

- Resistant to most common environmental influences
- Ease of application in use with recommended setting
- tools • Recyclable

APPROVALS / CERTIFICATES

- EN ISO 9001 / 14001
- DIN 50018 /GBT 9789-2008
- ISO 9227 / GBT 10125-2012

below + 5 °C ambient temperature due to safety requirements in accordance with national regulations.

ECOLOGY, HEALTH AND SAFETY

This product is an article as defined in article 3 of regulation (EC) No 1907/2006 (REACH). It contains no substances which are intended to be released from the article under normal or reasonably foreseeable conditions of use. A safety data sheet following article 31 of the same regulation is not needed to bring the product to the market, to transport or to use it. For safe use follow the instructions given in the product data sheet. Based on our current knowledge, this product does not contain SVHC (substances of very high concern) as listed in Annex XIV of the REACH regulation or on the candidate list published by the European Chemicals Agency in concentrations above 0,1 % (w/w).

APPLICATION INSTRUCTIONS

APPLICATION

Sarnadisc[®] T washer must be installed in accordance with Sika application manual and installation instructions. Sarnadisc[®] T washer in combination with appropriate Sarnafast[®] Fastener is used for the mechanical fastening of thermal insulation. For more information look up the Product Data Sheet Sarnafast[®] Fastener

LOCAL RESTRICTIONS

Please note that as a result of specific local regulations the declared data for this product may vary from country to country. Please consult the local Product Data Sheet for the exact product data.

LEGAL NOTES

The information, and, in particular, the recommendations relating to the application and end-use of Sika products, are given in good faith based on Sika's current knowledge and experience of the products when properly stored, handled and applied under normal conditions in accordance with Sika's recommendations. In practice, the differences in materials, substrates and actual site conditions are such that no warranty in respect of merchantability or of fitness for a particular purpose, nor any liability arising out of any legal relationship whatsoever, can be inferred either from this information, or from any written recommendations, or from any other advice offered. The user of the product must test the product's suitability for the intended application and purpose. Sika reserves the right to change the properties of its products. The proprietary rights of third parties must be observed. All orders are accepted subject to our current terms of sale and delivery. Users must always refer to the most recent issue of the local Product Data Sheet for the product concerned, copies of which will be supplied on request.
