# SikaBond® 200 SERIES

Soft, Resilient Floor Covering Adhesives

# SOFT, RESILIENT FLOOR COVERING ADHESIVES

When a high performance, high bond strength adhesive is required, look no further than our new SikaBond®-200 Series of soft floor covering adhesives. This new range of adhesives has been designed to bond to a wide range of soft floor coverings like vinyl, carpet, rubber, PVC, linoleum, jute, cork or synthetic fabrics. SikaBond® adhesives have low VOC emissions and odour, are easy to spread and provide high underfoot comfort with long lasting performance.

## SikaBond®-200 Carpet Adhesive

Suitable for bonding both jute and polypropylene backed carpets in direct stick and double bond type installations. The adhesive has prolonged re-bond time and has low VOC emission levels.

- ▶ High bond strength and strong tack build
- ▶ Low odour and low VOC

## SikaBond®-201 Pressure Sensitive Adhesive

Provides low VOC emissions and is anti-microbial, it has been developed for the installation of vinyl composition tiles. It is also suitable for the installation of carpet tiles and slab underlays used in the double bond carpet installation.

- ▶ Anti-microbial
- ▶ Low VOC

## SikaBond®-202 Hard Set Vinyl Adhesive

A high-performance, full cure, hard set adhesive designed for the installation of commercial and domestic PVC planks and tiles.

- ▶ High bond strength
- ▶ Low VOC
- ▶ No residual tack once dried

## PRODUCT RANGE

- SikaBond® 200 Carpet Adhesive
- SikaBond® 201 Pressure Sensitive Adhesive
- SikaBond® 202 Hard Set Vinyl Adhesive
- SikaBond® 203 Universal Vinyl Adhesive
- SikaBond® 204 Protect
- SikaBond® 205 Brushable Contact Adhesive

### SikaBond®-203 Universal Vinyl Adhesive

A water-based, low VOC, high performance, multi purpose adhesive designed for various PVC and common backed textile floor coverings.

- ▶ Multi flooring types
- ▶ Low odour and low VOC

### SikaBond®-204 Protect

A 1-component adhesive designed for the installation of commercial and domestic sheet vinyl, LVT and LVP. It is also suitable for the installation of sanded back rubber flooring, linoleum and artificial grass.

- ▶ Indoor and outdoor use
- ▶ For use in cool rooms and freezers

### SikaBond®-205 Brushable Contact Adhesive

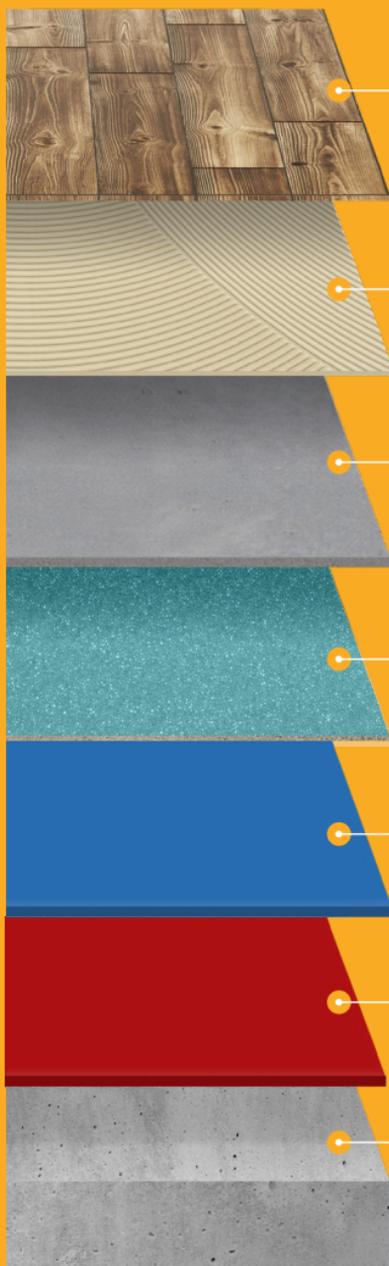

A premium adhesive designed for bonding vinyl skirting and other common flooring materials where a quick contact bond is required.

- ▶ Very short flash-off time
- ▶ High initial tack

# FLOOR COVERING SYSTEM

Sika offers solutions for a complete integrated Sika® Secure Flooring System from moisture mitigation, underlayments, patching and skimming mortars and floor covering adhesives to fulfill the requirements of all types of projects.
