<b>Appearance / Colour</b>	Clear liquid
<b>Bulk Density</b>	1.0 kg/L

### BASIS OF PRODUCT DATA

All technical data stated in this Product Data Sheet are based on laboratory tests. Actual measured data may vary due to circumstances beyond our control.

## IMPORTANT CONSIDERATIONS

- Test product in an inconspicuous area first -
  1. Place 2-3 drops on the tile.
  2. Wait 15 minutes.
  3. Rinse well and examine when dry to determine if the product is suitable for use.
- Avoid prolonged contact and always rinse the area with clean, warm water
- All tools and containers should be plastic. Do not use with metal
- Avoid splashing or spilling on surrounding areas
- Do not use on polished marble, limestone or metallic glazed tiles. Always conduct a test patch before use to determine product suitability
- Do not use with any other detergents or cleaning materials
- For other uses not mentioned in these instructions, please contact Sika Australia

## ECOLOGY, HEALTH AND SAFETY

For information and advice on the safe handling, storage and disposal of chemical products, users shall refer to the most recent Safety Data Sheet (SDS) containing physical, ecological, toxicological and other safety related data.

## APPLICATION INSTRUCTIONS

### MIXING

- Add Tile & Grout Cleaner to a clean plastic bucket and dilute with water at a ratio of 10 parts water to 1 part Tile & Grout Cleaner (5L of water to 500ml Tile & Grout Cleaner).

### APPLICATION

1. Always use a saturated mop or sponge to wet down the surface with clean water before applying product
  1. For normal cleaning, dampen a mop or sponge with the solution and wipe over the surface before rinsing immediately with clean warm water.
2. For heavily soiled areas apply a greater quantity of the solution. Allow the affected area to soak for up to 10 minutes and then scrub with a stiff nylon brush before rinsing well with clean warm water.

## LOCAL RESTRICTIONS

Please note that as a result of specific local regulations the declared data for this product may vary from country to country. Please consult the local Product Data Sheet for the exact product data.
